<H1>:   I choked on a phone and almost died!

Text: So on this presentation at GearCHIPtec 2010 [link], and one very small phone called "Tooth Gary" [link] ended up in my mouth, in a bad way, I tried to remove it with my hands, but it wouldn't help…
So we all in a "restroom" now, waiting for it to come out. Not the best day of my… oh GOD…
